

Lifelong Advocates for Marylanders with Developmental Disabilities ®

**PLEASE JOIN US FOR  
BY THEIR SIDE'S ANNUAL MEETING OF FAMILIES**

Saturday, November 4, 2017  
11:00 am – 3:00 pm  
Hellas Restaurant  
8498 Veterans Highway, Millersville, Maryland

**“NEW PLANS FOR A BRIGHTER FUTURE”**

**Experience Person Centered Planning**

This dynamic approach to planning involves the person and those who know him or her best to identify a life vision based on his or her greatest joys (and nightmares), gifts and talents, support needs and community connections. Steps are identified to make that vision a reality. This interactive presentation will illustrate benefits, how families can participate, and how to add person centered planning into your annual Individual Plan (IP) meeting.

*Gail Godwin is Executive Director of Shared Supports Maryland. She has over twenty years of experience facilitating and training others in Person Centered Planning.*

**Achieving A Better Life Experience: Is ABLE Right for You and How to Get Started**

Maryland ABLE Savings Accounts will allow people with disabilities (and their families) to save now for disability related expenses while protecting benefits like SSI and Medical Assistance. Lori Markland of Plan 529 which administers Maryland ABLE will discuss how this resource can benefit your relative, complement a Special Needs Trust, and how and when you can get open your account.

**Directions from Baltimore** Take I-97 South to Exit 10A (Benefield Blvd) toward Severna Park. Turn left onto Veterans Highway at the first traffic signal. Hellas will be on the Left.

**Directions from Washington** Take Baltimore Washington Parkway/295 South to Rt 100 East. Take 100 E to I-97 South. Follow directions above.
